

Children's attendance at Curious Pastimes Events

In an effort to make like easier for all parents and guardians we have decided to introduce a generic permission form for all children attending Curious Pastimes events.

Please fill in the form below and have your child/legal ward present it to the event staff upon entry to the first event you attend. Then they will be instructed to take it to GOD for processing. Your child can then use the cut off slip as proof of permission to attend other events without the need of a separate permission form for each event. This is provided that the responsible adult remains the same. If this is to be different for an event then a new form will be needed.

Copies of this form will be available at the front gate of every event should they be needed. Please note that no child will be allowed entry to a Curious Pastimes event without their parent/guardians permission.
